# Myers-JDC-Brookdale Publications List

January 2010 – April 2014

**The Myers-JDC-Brookdale Institute** is Israel's leading center for applied research on social policy and services, serving Israel, the Jewish world, and the international community. Our mission is to increase the effectiveness with which society addresses critical challenges to enhance the well-being of, and expand opportunities for, its most vulnerable members.

### **Making Social Policies and Programs More Effective**

Since 1974, we have been involved in Israel's most important national social initiatives, using cutting-edge research to contribute to many significant social policy and program reforms in Israel.

### **We make a difference by:**

- Producing independent, relevant, and trusted information
- Engaging intensively with strategic national and local decision makers
- Promoting actions based on research findings
- Exchanging experience with the Jewish world and the international community
- Serving Israel and the Jewish world

### **Areas of Research and Special Programs**

Engelberg Center for Children and Youth • Smokler Center for Health Policy Research • Center for Research on Disabilities • Center for Research on Employment of Special Populations • Center for Research on Aging • Center for Quality Assurance in the Social Services • Learning from Success and Collaborative Ongoing Learning in Human Services • Immigrant Absorption • Arab Population in Israel • Outcomes-Oriented Planning and Shared Measurement

### **Cooperation and Exchange**

International Cooperation and Exchange • Middle East Cooperation and Exchange • Cooperation and Exchange among Jewish Communities

### **Major Special Funds**

Mandell Berman Fund for Research on Children with Disabilities • Connie and Bert Rabinowitz Fund for Creative Breakthrough Research • Marshall Weinberg Fund for Professional Collaboration and Development • Harry Weinrebe Fund for the Advancement of Children

The Myers-JDC-Brookdale Institute was established in 1974 as an independent, non-profit partnership between the American Jewish Joint Distribution Committee and the Government of Israel. The David and Inez Myers Foundation of Cleveland entered into the partnership in 2004. MJB's Board of Directors is composed of senior government officials from the ministries of Finance, Education, Health, and Social Affairs, and the National Insurance Institute (Israel's Social Security Administration), along with international experts and global Jewish lay leaders.

To learn more about how MJB informs policymaking, program implementation, and practice, contact us at [brook@jdc.org.il](mailto:brook@jdc.org.il) and visit us at [www.jdc.org.il/brookdale](http://www.jdc.org.il/brookdale) or [www.facebook.com/MJBInstitute](https://www.facebook.com/MJBInstitute)

The following is a list of current Myers-JDC-Brookdale Institute publications, published from January 2010 to April 2014. For easy referral, they are listed according to the Institute's main research areas: **Aging, Health Policy, Children and Youth, Disabilities, Employment of Special Populations, Quality Assurance, Outcome Measurement, Manpower Evaluation and Social Planning, Learning from Success and Ongoing Learning in Human Service Organizations, Immigrant Absorption, and the Arab Population in Israel**. Some publications appear under more than one category, as they relate to more than one of these research areas.

The Institute's work is published in a number of formats (all listed by research areas):

- Institute publication series (Research Reports, Executive Summaries, Monographs, Special Reports and Reprints)
- Publications by other organizations published with the participation, partnership or support of the Institute
- Articles by Institute staff and associates that have been published or accepted for publication in Israeli and international journals and books
- Other Institute documents not included in the above categories.

**To order publications**, an order form is provided at the end of this publications list. Please clearly fill in the requested information, including the *title, order number, language and price*<sup>1</sup> of each publication (this information appears at the right of each publication listing). The prices, which include postage and handling, are listed in shekels for purchase in Israel and in dollars for orders from abroad. The language is listed as Eng. = English, or Heb. = Hebrew. Some publications are offered in both languages, and it is important to indicate which language you want to order. Note, however, that most of these publications appear in full, free of charge, on the Institute's website, at [www.jdc.org.il/brookdale](http://www.jdc.org.il/brookdale), and that some, where noted, appear only on the website.

Articles from journals or books and out-of-print publications are accessible at the Institute library. Myers-JDC-Brookdale Institute publications from 2002 onward are available on the Institute website [www.jdc.org.il/brookdale](http://www.jdc.org.il/brookdale).
